

North Walsham & Dilham Canal Trust

The 4th Annual Open Days event will be held at

Ebridge Mill Pond, Happisburgh Road, North Walsham, NR28 9NH

Saturday 18th and Sunday 19th June 2016 between 11.00 and 17.00 on each day

Do come along and see exhibits of the history, old and new photographs and please bring along your treasured memories of the canal to share with the people actively working hard to bring this piece of our industrial heritage back to life again!

[The Canoe Man of Wroxham](#) will be there to tempt you to take to the water and paddle up as far as Spa Common.

There may also be a couple of other boats present as well as the [Ebridge Model Boating Club](#).

Our friends the [Norfolk Classic and Vintage Tractor Club](#) will be visiting both days.

Our new Wildlife Officer Perry Hampson will make a presentation of his many, many finds showing how the restoration so far has had a major and undeniably beneficial effect on our natural inhabitants on the land, in the water and in the air.

A raffle will be held, including hand-made quilts, plus tombola, refreshments, ice cream, bric-a-brac and plenty of information available for you to make it a great day out beside and on your only Norfolk canal.

Toilets are available
