

# Your Canal Needs You

The work of the North Walsham & Dilham Canal Trust continues to expand, the numbers attending work parties increasing - as are the amount of days spent helping the Canal Owners to restore the Canal back to navigational use.

WE NEED:

More **WORK PARTY LEADERS** at the fortnightly weekend/Sunday work parties, as groups now work at different projects during that day.

**WORK PARTY LEADERS** to set up and run fortnightly midweek work parties - mainly maintenance work on the restored sections.

**PROJECT LEADERS** who will set up and run specific building tasks - e.g. bridge building along the Canal

**FUND RAISERS** - people who are willing to chase the big monies - e.g. Heritage Lottery Funds

**SECRETARY** - who can respond to correspondence, be responsible for the arranging of formal meetings and official returns.

**MINUTE SECRETARY** - an important monthly task to record who agreed to do what at the meeting.

If you can help fill, or find someone to fill any of these tasks - please contact any Trust member or contact the Trust via its **website** [www.nwdct.org](http://www.nwdct.org) [secretary@nwdct.org](mailto:secretary@nwdct.org)
