

North Walsham and Dilham Canal Trust

Work Party Report

Date: Thursday 15th October 2020

Objective: Ebridge Reach Raised Bank Seeding

Thursday the volunteers laid grass seed on the bare sections of the east bank at Ebridge (needed as a result of raising the banks some time ago).

Initially, the surface was cleared of any cut canal weed, etc., which was raked to the side. Chris H then scattered the grass seed over measured sections to achieve the correct rate. Jonathan later harrowed the surface lightly with the tractor attachment, which was followed by the volunteers raking the surface. The surface was then going to be rolled by the Kubota tractor.
