

North Walsham and Dilham Canal Trust

Work Party Report

Date: Sunday 11th December 2022

Location: Bacton Wood Lock soke

Objective/s: To collect previous work parties brash, cuttings, to pile and burn.

At 9am, we arrived at the workshop and loaded up the trailer with all required hand tools. AB towed this with the tractor to the bund where we finished off from last time.

The last of the pulled-out-trees and debris were cut up and piled up on to the old fire sites which we tried to burn, but all three sites were so wet and covered in ice it wasn't successful.

From Midday a barbeque was set up at The Unit where all the volunteers enjoyed burgers, sausage rolls, cakes, tea and coffee.

Thanks to Jeremy C for providing the burgers and to Chris for BBQ cooking, as well as thanks for the supplies brought by other volunteers.

Season's greetings and best wishes to all of our supporters.

Report by Terry Willoughby and Alan Bertram with photos by Alan B. Editor JK.

10 Trust volunteers assisted Jeremy Cushion of the Old Canal Company.

**If you are interested in helping at any work party,
please contact us using the 'contact us' form available on our website
