

North Walsham and Dilham Canal Trust

Work Party Report

Date: Thursday 16th March 2023

Location: Honing Staithe

Task: To clear fallen branches

With the permission of the land owner via the Trust Chairman David Reville, three of us met at Honing Staithe this morning at 9am. We set out the signage warning of walk maintenance, clearing of fallen branches etc. We then cleared all way around the whole of the canal walkway from Weavers Way back to Weavers Way.

There was a large gap in the fence next to the small hump road bridge over the canal where it is obvious people had been climbing through, so we blocked this with a lot of branches that somebody had cut up and left.

There is still a bit more to clear up on the canal walk when the ground dries out a bit more at a later date, to be advised.

Finished work at 1pm.

3 volunteers helped at this location.
